It allows us to keep on track the maximum of our project activities under these unfortunate situations with corona, as our online tasks in next few months don't jeopardize anyone's health (online activities), and to act solidary to our P3 colleagues from Zagreb.

According to the previous teleconference, the deadline for this action is one month, 22nd April 2020.

The meeting started at 23:05 on Sunday 22nd of March, finished at 12:12 on Monday 23rd of March.

Prof Snežana Radulović

ECOBIA Project coordinator
