### Purpose, objectives and elements of event

The purpose of the first Open Day at UDG was to present the LLL program in the field of ecological monitoring and bioassessment that is accredited by the Agency for Control and Quality Assurance of Higher Education in Montenegro. During the event all details regarding LLL program were presented to participants such as: LLL program structure, the list of the courses, the list of teaching staff, enrolment requirements, evaluation and assessment etc. Also, the great attention was paid to professional qualification that may be obtained after successful completion of the course. Also, the participants of the event were presented labs for ecological monitoring and bioassessment at University of Donja Gorica.

The Open Day had 26 participants from relevant public institutions such as: MEPPU, IJZCG, JPNPCG, AZSCG etc., NGOs, education institutions etc.

## LIST OF PARTICIPANTS

Scanned and attached to this document.

### Date of the 1<sup>st</sup> day

16<sup>th</sup> of May 2021.

## CONCLUSIONS

There was a great interest from the relevant public institutions and NGOs in this field for participation at this Open Day. What is encouraging is the fact that significant number of students, not only from University of Donja Gorica, but from University of Montenegro were interesting for this issue and showed the interest to attend LLL courses in the field of ecological monitoring and bioassessment. The atmosphere during the Open Day was very positive and interactive, while the discussions were very challenging and constructive. The feedback regarding the organisation of this Open day was extremely positively evaluated by all participants of the event.
